Elder Archimandrite Ephraim speaks with Metropolitan of Limassol during special radio outreach program

The Metropolitan of Limassol, His Eminence Athanasios, continues his outreach to the faithful on a daily basis via a special program on the Metropolis' radio station – an initiative that aims to offer comfort and encouragement to the Orthodox faithful amid the ongoing trial, and with cathedrals closed on the island republic. The program is rebroadcast daily by the online magazine *Pemptousia*.

Thursday's program was particularly touching and blessed, as the **Elder Archimandrite Ephraim, the Abbot of the Holy and Great Monastery of Vatopedi**, calling into the Internet broadcast and speaking with his Eminence Athanasios.

Both the Elder and the hierarch called on the faithful to continue their prayer.
