Greek Orthodox Metropolis Of Boston : Join Us Online for a Prayer Service for Heath and Well-Being

During the past several weeks His Eminence Archbishop Elpidophoros has conducted a prayer service from the Archdiocesan Chapel of Saint Paul. This service which is for the healing of those affected by COVID-19 and those who have passed from this terrible disease has provided a few moments of solace and peace for the faithful as they prayerfully participate online.

The Archbishop has invited the members of the Holy Eparchial Synod to also offer this important prayer service. Please join us online , Tuesday, May 5th at 12:30 p.m. from the St. Demetrios Church in Weston, MA, as His Eminence Metropolitan Methodios leads us in prayer for the health and healing of those suffering from the COVID-19 pandemic. The prayer service will be broadcast on the official social media accounts of our Archdiocese. Please find the links below.

This effort to join in prayer can only be made stronger by the participation of each and every one of us. Therefore, you are encouraged to submit names to be prayed for during the service by Clicking Here and of course, to join us online in prayer.
