Today marks one year since His Eminence Archbishop Makarios' election to the Archiepiscopal Throne of Australia

It has been one year since the Holy and Sacred Synod of the Ecumenical Patriarchate, on the 9th May 2019, following the favourable commendation of His All Holiness, Ecumenical Patriarch Bartholomew, having appreciated his theological and secular education, his literary contribution, his administrative charisma and his ecclesiastical ethos as the hitherto Bishop Makarios of Christoupolis, elected him unanimously Archbishop of the Holy Archdiocese of Australia.

May God give Him strengthen from above to continue the Blessed work of God!
