

## **Technical Committee to resume works at 10 cultural heritage sites across Cyprus**

In the coming weeks, the Technical Committee on Cultural Heritage (TCCH) will oversee the resumption of works at 10 cultural heritage sites across Cyprus, in accordance with the lifting of applicable restrictions, Technical Committee Co-chairs Ali Tuncay and Takis Hadjidemetriou say in a joint statement, issued on Monday.

The TCCH and UNDP, launched the procurement processes for conservation designs for seven mosques in the Paphos, Limassol and Larnaca and improvement and conservation works for two churches including the 2nd phase for Apostolos Andreas Monastery, a relevant announcement says.

“The Technical Committee on Cultural Heritage during these challenging times has continued its regular weekly meetings though teleconferencing to review priorities

and future activities,” the statement reads.
