Greek Orthodox Metropolis of Boston : Message From Philoptochos Board President Athena Kalyvas

Dear Chapter Presidents,

Xristos Anesti!

The sun is out and hopefully, you are enjoying this beautiful day! I would like to follow-up with the invitation below regarding the Virtual Metropolis Ministry Awards Recognition on Sunday, June 14 at 7 p.m. We all know that the mission of the Philoptochos is to help the needy. In these unprecedented times, let us partner with our Metropolis by donating \$75 for a virtual ticket which in turn will feed 7 people. Many of us have attended this special event countless times over the years, honoring our parents, loved ones or parishioners. This year, we can participate virtually and really make a difference because 100% of the proceeds will benefit many people! Please forward this invitation to Philoptochos members to purchase a ticket, or try to set up a table with your Chapter so that the Metropolis, along with Lombardo's Restaurant can help feed the hungry, support the food banks and homeless shelters and provide meals to the frontline healthcare workers. In addition, individual sponsorships are available to assist the Ministries of our beloved Metropolis. I completely understand these are extremely difficult financial times but if you are able to help, please show your support. (See the details below.) Thank you for all that you do!

Me agape, Athena Kalyvas

Banquet to help those in need**

This year **100% of the ticket proceeds** to our virtual event will go directly to providing meals to healthcare workers and homeless shelters. The Metropolis of Boston has partnered with Lombardo's to prepare and deliver **7 meals for every ticket purchased** to this year's Metropolis Virtual Awards Banquet. This small gesture could impact over **4,000 people**. With the recent COVID-19 pandemic affecting all of our lives, we've seen an increased demand to provide meals to healthcare workers and homeless shelters.

If we all do a little, it will be a lot.
