## **Metropolitan of Imvros and Tenedos officiates at Vespers service at St. Nicholas Cathedral**

**The Metropolitan of Imvros and Tenedos, His Eminence Kyrillos, officiated on Tuesday at the Vespers service at the St. Nicholas Cathedral, on Imvros island's settlement of Kastro, Greek for castle.**

The service came on the occasion of the commemoration of the retrieval of the saint's holy relics.

The settlement takes its name from a Byzantine-era fortress that once stood on the hill where the latter lies today.
