Services restored in Cathedral church in Zagreb

Metropolitan Porfirije: The earthquake was a temptation that enabled us to discover something about ourselves, about the meaning of life, but also about the love of God.

On the Sunday of Fathers of the First Ecumenical Assembly, 31 May 2020, His Eminence Metropolitan Porfirije of Zagreb-Ljubljana celebrated the Holy Hierarchal Liturgy with the concelebration of Archimandrite Danilo (Ljubotina), protodean Bogoljub Ostojic and deacon Dragan Radic .It was the first service in the church in which, after it suffered from the earthquake, protective scaffolding was set up.
