2020 YAL Conference Cancellation

With the ongoing limitations set forth due to the Coronavirus pandemic, it has been necessary to cancel several programs and gatherings of all sizes to be in compliance with local and federal guidelines. This now extends to the Young Adult League Conference scheduled for Labor Day weekend 2020.

“The resurgence of this ministry in 2019 was an overwhelming success and I truly looked forward to once again coming together for a weekend of fellowship,” commented His Eminence Metropolitan Gerasimos. “I know there is still great interest and enthusiasm for this ministry, and I remain committed to its growth and success when the time is deemed appropriate.”

The leadership committee is exploring other options for a gathering and details will be shared as they are developed. Be sure to follow the YAL page on Facebook for the latest updates!
