Archdiocese of Thyateira & Great Britain – Conference of European Churches' 7th Summer School

It is with great pleasure that the Greek Orthodox Archdiocese of Thyateira and Great Britain announces its co-sponsorship of the Conference of European Churches' 7th Summer School (online webinar) focusing on Human Rights 7-10 July 2020. This sponsorship was made possible by a recent donation made to the Archdiocese to specifically support projects and initiatives focusing on Human Rights and Religious Freedom. His Eminence Archbishop Nikitas will participate and present on an inter-religious panel addressing the Rights of Minorities during Covid-19.

Those interested in supporting programs focusing on Human Rights, Social Issues, and Religious Freedom are encouraged to contact the Archdiocese directly.
