

## Filming resumes in Greece of life, works of St. Nektarios of Aegina

## MAN OF GOD

a film by Yelena Popovic

The life and works of St. Nektarios of Aegina was featured on the prime time newscast of the Athens-based television station Star, on the occasion of the beginning of filming in the country of a US-Greek production on the saint, with Greek and international film actors cast.

Filming will continue over the summer.

The movie will be entitled "Man of God".
