

Feast Day of St. Jude, Apostle & Brother of Our Lord

The Church today venerates the memory of Thaddeus, or Jude, the Apostle & Brother of Our Lord.

St. Jude preached in Mesopotamia, Arabia, Idumea and Syria, and, as it's written, completed the path of his divine apostleship by martyrdom in Beirut — in the year 80.

This saint's life and works are featured today on the pages of the diakonima.gr site.
