ST SAVA VIRTUAL CAMP 2020 – SHADELAND

Children of St. Sava Camp; Past, Present & Future,

With the blessing of His Grace Bishop Irinej, we are excited to announce our Virtual Camp 2020. We are heartbroken that we are unable to hold our camp season in person at Shadeland, but we hope to stay connected through this virtual experience.

Via the social media platforms of Instagram and Facebook, the counselors will be simulating camp-like experiences weekly. Under the direction of the Christian Education Director, V. Rev. Protodeacon Dr. Jovan Anicic, various priests will be holding weekly religion classes on relevant topics. In order to get as much camper interaction as possible, we will be holding competitions, give-aways, and other virtual events.

There is no registration or fee necessary, however we will need a permission form completed in order to share photos online. As the safety of all involved is our top

priority, we will be making both the Instagram and Facebook page private. All forms will be available on the Diocese Website and attached in this email. If you have already sent an application for the 2020 Camp Year, we will NOT need another copy.

Please send all forms and any questions to: or mail to 1704 Vermont Avenue, West Mifflin PA 15122.
