Feast Day of St. Dionysios, St. Mitrofanis on Mount Athos - (PHOTOS + VIDEOS)

The secluded cell on the semi-autonomous monastic of Mount Athos, where 20th century saint Dionysios lived, at the St. Anne site, observed a feast day on Tuesday and today.

Footage posted today on the pages of the **Orthodoxia News Agency** shows a celebratory Vespers service on Tuesday afternoon, officiated by the Bishop of Doryllaïou, His Grace Damaskinos.

A chapel has been built at the saint's skete, dedicated to Dionysios and his disciple, St. Mitrofanis.
