## **Bishop Arsenije consecrated the laboratory “Fiery Eye”**

His Grace Bishop Arsenije of Nis Arsenije performed the rite of blessing of premises of the newly built laboratory “Fiery Eye”, which will process tests for the Covid 19 virus. The event took place in the city of Nish on July 29, 2020.

The laboratory was built next to the Institute of Public Health in Nis. Such a laboratory already exists in Belgrade and is a donation from the Chinese Institute. The capacity of tests at the daily level of the Nis laboratory should be 1,000 tests.
