## **Archbishop Elpidophoros of America - Prayer at the 2020 Democratic National Convention**

Let us pray.

Most merciful and loving God,  
As we gather in soberness of mind and of heart  
for the sake of our Nation and its future,  
We pray that You would shine the light of Your Countenance  
Upon the Delegates of this Convention,  
And upon Vice President Joe Biden for the highest office in the land.  
As we face the future as One American Nation,  
Bring us to our best selves and inspire our better angels,  
In peace, in fairness, and in generosity.  
That we may fight against injustice, inequality, and hatred.  
That we may achieve a common good, a greater good,  
In the Name of the Holy Trinity we pray.

Amen
