Greek Orthodox Archdiocese of Australia - The Seventh Episode of Truth Seekers

In our seventh episode of Truth Seekers, Maria is back! She and His Grace Bishop Emilianos of Meloa explore the question, 'How can we learn more about Christianity in an accessible way without doing a theological degree to understand our faith?'

Here's what they chat about:

- ☆ Resources and ways to explore your faith.
- ☆ Prayer opens the door to a 'theological' understanding of faith.
- ☆ When you love God, you will understand God out of revelation.
- ☆ The building blocks: going to Church and reading the Bible.

These questions were anonymously sent in by young Orthodox Christians.
