

## **Orthodox Metropolis of Zambia - “LOVE YOUR NEIGHBOR AS THE WAY YOU LOVE YOURSELF**

“LOVE YOUR NEIGHBOR AS THE WAY YOU LOVE YOURSELF.( THE FIRST MISSIONERY VISIT TO CHIRUNDU BY FR ANTONIOS).

“There is no commandment greater than these.”

The Church Fathers teach that we find our true self in loving our neighbor. Remember, love is not a feeling but an action.

With the blessings of Archbishop Ioanis of Zambia. Fr Antonios led the Missionery visit to chirundu. Fr Antonios taught the Parishioners about love And the symbol of our faith. He strased that if we love our neighbors the way we love ourselves we will leave on harmony we will be able to forgive our neighbors and we will not do bad to them. Pray for us.

Father Arsenios”
