## **Metropolitan Nathanael's 2020 Archpastoral Teaching, On Life**

September 1, 2020

Dear beloved Clergy, Monastic Brotherhoods and Sisterhoods, and faithful of the Holy Metropolis of Chicago, and all people of goodwill,

It's a great joy to share with you this year's Archpastoral Teaching, On Life. During these tumultuous times, we are all invited to focus on what is always true, always right, always perfect—God's love for us through His gift of life.

I pray this reflection helps spiritually edify you and your loved ones. Of course, your feedback is always welcome and a joy to receive.

Wishing you a blessed start to the ecclesiastical New Year, I remain

In Christ,

*+ Metropolitan Nathanael*
