Archbishop Elpidophoros of America - A preplanned act of terror built on a lie

It was 65 years ago, at night, when the pogrom against the Greek community of Istanbul started. We remember those whose very lives were lost, and their way of life was destroyed by a preplanned act of terror built on a lie.

It was 65 years ago, at night, when the pogrom against the Greek community of Istanbul started. We remember those whose...
