

## Patron Saint-day of the Diocese of Bihac-Petrovac

On Saturday, 5 September 2020, the clergy of the church of Saint Sava, the first Archbishop of Serbia, in Mrkonjic Grad and the faithful along with His Grace Bishop Sergije of Bihac-Petrovac gathered in order to welcome Their Graces Bishops Jovan of Slavonia and retired Bishop of Middle Europe Konstantin.

The high guests arrived to the Diocese of Bihac-Petrovac on the occasion of the formal celebration of the diocesan protection feast-day of the Synaxis of Serbian saints.

Following the welcome a doxology was chanted and thereafter a Vesper service was served by His Grace Bishop Jovan of Slavonia with concelebration of Archimandrite Varnava (Damjanovic) and local priests.

Diocesan Bishop Sergije greeted the guests and wished them welcome and thanked for the blessing they brought by coming to the Diocese of Bihac-Petrovac.
