

## **Catholicos-Patriarch of All Georgia, Ilia II: There are cases when person is confused, cannot explain events, do not be confused, it is from God**

“There are many cases when a person is confused, can not explain the events, do not be confused, remember, it is from God, and God will give us joy,” said the Catholicos-Patriarch of All Georgia, Ilia II during a sermon at the Holy Trinity Cathedral.

The patriarch wished peace to the parishioners and called for doing a good deed.

“We must remember that many events on earth can not be explained by the human mind and we should not try to do so, instead, the man should think where are those events linked to,” noted the patriarch.
