Tbilisi Theological Academy and Seminary - Preparations for the New Academic Year

Due to the current circumstances related to the epidemic in our country, Tbilisi Theological Academy and Seminary has started its 2020-2021 academic year by distance learning. The Academy and Seminary has done preliminary preparatory work relevant for this mode of teaching. A group of the teachers of this educational institution took a course of training at “IT Academy Step”. We hope that, with the proper efforts we are making, the quality of teaching will be as high, as it was prior to the present situation.
