

Fun Activities for Children & Families from IOCC

The four chapters of IOCC's newest Prayer Journal focus on the service Christ calls us to offer to people in need, and ways we can join forces to answer that call. It's IOCC's hope that this piece will encourage you as you consider ways that your generosity, through IOCC, reaches around the world with Christ's love.

Each chapter in IOCC's Prayer Journal is followed by activities, tailored for age groups, to help you think a bit more about Matthew 25. These activities are perfect for you to do with your children or Sunday School class (in person or virtually!) while providing tangible ways to put your faith into action.

Visit the Prayer Journal online, explore the downloadable lesson guide, or request print copies at iocc.org/prayerjournal.
