

## OCMC 2020 Trek4Missions a Great Success

“How beautiful are the feet of those who bring good news!” (Romans 10:15)

Thirty-three teams, consisting of 226 participants, pedaled, walked, ran, and swam a total of 20,114 miles to support OCMC’s efforts to bring the Good News of Christ’s Gospel to the ends of the earth. Their collective efforts raised over \$125,000 for missions in just five weeks from August 9 – September 14, far surpassing our original goal of \$100,000.

These funds are critical in preparing and sending more missionaries out to the field soon – like Elaine Piniat and the Candelario family who are headed to Sweden, and the Sarigianis family headed to Albania.

In the midst of the coronavirus pandemic, the violence, and the divisiveness gripping our country and world, the Trek4Missions was a beautiful display of what we can accomplish when we work together. The words of St. Paul to the Romans, “How beautiful are the feet of those who bring good news!” were brought to life in this year’s Trek.

Thank you to all who participated, supported, and made this event such a success, especially our event sponsors: the American Continental Funding and Birchfield &

Humphrey, P.A.

To learn more about these efforts visit 2020 Virtual Trek4Missions and if you'd like to organize something like a virtual run or presentation at your parish, please reach out to Daniel Kindell at [\[email protected\]](#).
