**Greek Orthodox Archdiocese of Australia -  
District of Northcote Victoria will soon launch its  
central youth organisation**

With the blessing of His Eminence Archbishop Makarios of Australia the District of Northcote will soon launch it's central youth organisation.

The central youth was going to be an initiative launched at the youth conference early this year, however, due to covid this was cancelled and everything since has been postponed.

Nevertheless, the youth is eager to have this launched ASAP.

His Eminence has also given the central youth a patron saint which will be announced to ALL soon! So keep on the lookout for more info in the coming weeks!
