

Orthodox Diocese of Gulu and Eastern Uganda - 4th SUNDAY OF LUKE AT SAINT NECTERIOS ORTHODOX CHURCH PALALO

In effort to help the people meet their health needs, in His pastoral visit today, His Grace along with medical workers made a medical out-reach in St. Nektarios Parish Palalo, where medical advice and medicine were given to people of this village especially for the children. After, His Grace went ahead to meet with the local Benefactors and thanked them for the great work and effort they are expressing to allow the Church set up different developments.
