

## More Covid-19 restrictions expected to be announced in Greece on Thurs.

**Greek Prime Minister Kyriakos Mitsotakis on Thursday briefed the country's president Katerina Sakellaropoulou, that he will make a nationwide address later in the afternoon to announce additional measures to prevent exposure to the coronavirus.**

Greece reported a single-day record of 865 confirmed cases of Covid-19 the previous day, with up to five prefectures in the country declared in a level 4 emergency.
