Greek tourism ministers tours 'Passage to the Light' exhibition showcasing digitization of Mt. Athos' cultural treasures

Greek Tourism Minister Haris Theoharis on Thursday toured the digital exhibition “Passage to the Light”, which showcases the significant work of digitization of the cultural treasures of the Holy Monasteries of Mount Athos.

The exhibition, hosted at the Athens Megaron concert hall, is accessible through

the Athos Digital Heritage initiative, and reveal the sacred treasures of millennium-old Mount Athos Orthodox Tradition, and conveying the message and the spirituality of Mount Athos to the modern world.
