Joint statement of the Serbian Orthodox Church and the Ministry of Defense of the Republic of Serbia

Last night His Holiness Irinej, Serbian Patriarch was admitted to the Military COVID Hospital “Karaburma”, as he tested positive for SARS CoV2 virus during the regular test procedure. Patriarch Irinej is generally feeling well, asymptomatic and without fever. He was admitted to the hospital for medical supervision and control, and a team of doctors of various specialties will take care of his health condition.
