

Archbishop of Albania Anastasios: ‘Don’t be afraid; just believe’

The Archbishop of Tirana, Durres and All Albania, His Beatitude Anastasios, called on the faithful to apply Christ's exhortation, as found in the Gospel, of "Don't be afraid; just believe". The Archbishop called on the faithful to overcome fears created through man's insecurity, especially during the current tribulation faced by humanity.

His Beatitude officiated at a Sunday's service at the metropolitan Cathedral of the Annunciation, in Tirana, co-officiated by the Bishop of Bilyda, His Grace Astius.
