

Arrival of a New Container at the Metropolis of Congo-Brazzaville and Gabon

With the mercy of God and the practical love of Greek and Congolese Orthodox brothers and sisters, yet another container 12 metres long arrived from Greece at the See of the Holy Metropolis of Brazzaville and Gabon in Pointe-Noire on January 17th, 2019.

The container sent under the initiative of the Holy Metropolis through the beneficial contribution of AIGEAS MAKE and its charitable director the Honourable Mr Athanasios Martinou, contained the new sacred appurtenances and necessary church items for the total furnishing of the new Cathedral of St Dimitrios in Pointe-Noire, a large number of holy icons for the Church of St Fotini which was inaugurated a year ago, vestments and cassocks for the Priest, new liturgical books in the French language for the Churches, clothing, shoes, bed linen and toys for the little children being cared for at the "St Efstathios: Orthodox Orphanage and a large amount of medication for our suffering African fellow humans, donated by the

Honourable Mr. Christos Kylikas a Pharmaceutical Engineer, and Honourary Consul of Congo-Brazzaville in Greece.

The gratitude of the local Church of Congo-Brazzaville to those who contributed to this effort is unlimited.
