

Orthodox Archdiocese of Nairobi: His Eminence Archbishop Makarios and His Grace Markos of Kisumu visited the parishes of Archangel Micheal Kinoo and Raphael and Irene Thogoto

His Eminence Archbishop Makarios and His Grace Markos of Kisumu went to visit the parishes of Archangel Micheal Kinoo and Raphael and Irene Thogoto. The Archbishop and His Grace went around just to visit and see the churches. In each parish the Bishops were very happy to see the beautiful cathedrals and how the parish priests and faithful keep the parishes in very good condition. A blessed day to end our evening full of blessings.
