Saint George Al-Humeyra, November 7, 2020

His Beatitude John X, the Greek Orthodox Patriarch of Antioch and All the East, received two delegations from the villages of Al Nasirah and Habnimra, in the Patriarchal Monastery of St. George Al-Humeyra in Wadi Al Nassara. The meeting took place in the presence of Metropolitan Akkar and dependencies, His Eminence Basil Mansour and His Grace Bishop Elia Toumeh. Each delegation included the priests of the two towns, Father Polycarp Rizk, Elias Al-Latty, and the authorities of the two towns.

The two meetings touched upon the disaster caused by the fires that destroyed properties and also discussed the financial support and aid that the Patriarchate will provide to those affected.
