

Metropolis of Boston Philoptochos Holds Virtual “Dream Gala”

The Philoptochos Society of the Metropolis of Boston held their virtual “Dream Gala” to raise much needed funds to fulfill the main mission of providing assistance to the less fortunate while perpetuating and promoting the Orthodox faith and traditions. The virtual Gala presented the unique and creative ministries that the Metropolis of Boston parish chapters have embraced for so many years, such as the Feed the Hungry Initiative, Philoxenia House, St. Methodios Faith and Heritage Center, Fellowship of Orthodox Stewards, Social Services and Operation Housewarming for Homeless Veterans transitioning into independent living.
