

Two years of online newscasts by Orthodoxia News Agency

Today marks the two-year anniversary of our online newscasts from the Orthodoxia News Agency's website.

Amid a very crucial period for Orthodoxy around the world, where the pandemic is forcing cathedrals to close their doors and where the sacrament of the Holy Communion is under persecution by many quarters, the Church is called upon to provide answers and solutions to the faithful by invoking the word of God and the Gospels.

All of the staff-members and associates of the Orthodoxia news agency thank you for your trust and support, while we, in turn, pledge, that with the Grace of God, will continue to provide reliable and timely news and information based on the highest journalistic standards.
