Bethlehem, PA – In response to the challenges Orthodox Christian preschool education is facing, we are excited to announce the Academy of Orthodox Faith and Learning, an online outreach of St Nicholas Academy. Beginning January 4th, 2021 and continuing for fourteen weeks, faith and learning content for preschoolers will be sent daily via email. This daily routine of preschool-specific prayers and lessons is aimed at maintaining connection with the Church and the development of both the child's mind and soul.
