

Feast of Saint Nicholas in Southampton

On Sunday, December 6, the Community of Saint Nicholas in Southampton celebrated its Parish feast. The Chancellor of our Archdiocese, the Very Revd Archimandrite Dr Nikodemos Anagnostopoulos represented His Eminence Archbishop Nikitas. The Priest-in-charge of the Parish, Protopresbyter Vassilios Mavroudis and Presbyter Dr Andreas Andreopoulos concelebrated with Fr Nikodemos and Professor Dr Themis Prodromakis chanted.

Many people had the opportunity to participate at the feast after months of services that were held behind closed doors.

On Saturday, December 5, Fr. Nikodemos had the opportunity to visit the Greek School of Community of Southampton and see its outstanding work.
