

Archdiocese of Thyateira and Great Britain: Feast of Saint Spyridon in Great Yarmouth

On Sunday, December 13, the Community of Saint Spyridon in Great Yarmouth celebrated its Parish feast. The Chancellor of the Archdiocese, the Very Revd Archimandrite Dr Nikodemos Anagnostopoulos represented His Eminence Archbishop Nikitas, in concelebration with the Priest-in-charge of the Parish, Protopresbyter of the Ecumenical Throne, Fotios Bithas.

Many people had the opportunity to participate at the feast. The Ladies' Association of the Community contributed plenty of non-perishable food items in response to the Archdiocesan appeal to help its food bank.
