

## **Archival documentaries by St. Maximus the Greek Institute posted every evening**

The online Orthodox platform Pemptousia and the Orthodoxia news agency have begun posting documentaries, features and news footage from the archives of the St. Maximus the Greek Institute, with a new item posted every day at 9 p.m. – Athens time.

Videos include a procession of the Holy Cincture of the Theotokos, the Virgin Mary, to various cities around Greece in the past; along with litanies performed by Athonite Monks and a documentary on the Grotto of the Nativity in Bethlehem.

The audiovisual material includes productions of Institute, and will form the basis of the soon-to-debut Pemptousia WebTV channel.
