Orthodox Christian Fellowship Chaplain and Presidents' Meeting

Clergy and student leadership representing over 15 colleges and universities throughout New England met on the evening of Monday, December 21 to discuss the Fall 2020 and planning for the Spring 2021 semester. Serving hundreds of students, these Orthodox Christian Fellowship leaders shared success and struggles while offering solutions and suggestions to each other. Resources were shared with OCF leadership to help strengthen the quality of their outreach and grow the number of participants in their programs. Gearing up for Spring 2021, participants were informed of programs and events for college students including Orthodoxy on Tap, MBC Winter Camp staffing, and an OCF retreat.
