### A Season of Fast Days

Epiphany, the first of the Great Feasts, is celebrated on the first day of the year, January 6. It is the day when the Holy Trinity is revealed to the world. The feast is celebrated with a special service, the Epiphany service, which is held in the morning. The service is a beautiful and moving celebration of the Holy Trinity. It is a time when the faithful are reminded of the love and mercy of God. The service is a beautiful and moving celebration of the Holy Trinity.
