

Patriarch of All Romania: 'repentance a way of life, a baptism in tears'

The Patriarch of All Romania, His Beatitude Daniel, during his sermon on Sunday, on the after-feast of the Theophany, of Epiphany, described repentance as a way of life, as a “baptism in tears,” as he characteristically said.

The Romanian Patriarch quoted the Gospel, extolling the faithful, “Repent: for the kingdom of heaven is at hand.”
