Young adult retreat 2021

With the blessing of His Eminence Archbishop Makarios of Australia, the Greek Orthodox Youth of our Archdiocese invite all youth and young adults aged 18-30 to The Young Adult Retreat 2021 from February 5th - 7th.

With the continual support and guidance of His Grace, Bishop Emilianos of Meloa, the youth have organised a weekend of fun activities, talks and worship services in English, encouraging spiritual growth and develop new friendships.

Whether the youth are searching to find, affirm or renew their faith, this spiritual retreat is designed for them to experience the truth, love, and joy of Orthodoxy.

This year the retreat theme will be Orthodox Love and Freedom.

We invite all young adults of NSW to join this exploration of Orthodox freedom and love and enjoy this weekend experience with like-minded young people.

Registrations are necessary.
