## **Metropolitan Bishop of Dabar-Bosna Hrizostom: Church underestimated danger emanating from Covid-19 pandemic**

The temporary vicar – or locum tenens – of the Patriarchate of Serbia, the Metropolitan Bishop of Dabar-Bosna, His Eminence Hrizostom, this week noted that the Serbian Church had underestimated the danger emanating from the Covid-19 pandemic.

As a result, one of the victims of the pandemic was reposed Serbian Patriarch Irinej, along with dozens of hierarchs, clerics, monks and nuns of the Church, he was quoted as saying.
