New Year's pie-cutting ceremony at Greek community of Alexandria

The Patriarch Alexandria and All Africa, His Most Divine Beatitude Theodoros II, this week joined the Consul General of Greece in Alexandria, Athanasios Kotsionis, as well as the Secretary-General of the Greek Community in the metropolis, Dimitris Kavouras, in a ceremony paying tribute to the benefactors of the community.

Moreover, the ceremony was accompanied by the cutting of the traditional New Year's, or Vassilopita, pie for 2021 - albeit with a limited number of people due to the pandemic.
