His Eminence Archbishop Makarios, travelled to Eldoret to visit the parish of Chepsaita and the five schools around the area. The Archbishop visited Silungai boys high school, Silungai girls high school, St Peter high school, St. Peters Chepsaita primary school and Shiandiche high school. The Archbishop had a chance to go around the school and to greet some of the students. His Eminence encouraged the students to study hard as the world is full opportunities for everyone and that education is the key life. It was a busy but a wonderful day and full of blessings.
