The Holy Synod of the Patriarchate of Georgia held a meeting on Thursday, February 11, 2021.

The meeting was led by Patriarch of All Georgia Illia II.

According to the head of the public relations department of the Patriarchate, Archpriest Andria Jagmaidze, the issues discussed at today's Synod session were related to Davit Gareji and vaccination.

According to him, the clergy agreed on many issues.

"The Synod session ended a few minutes ago. Quite a lot of issues were agreed on by the clergy in a fairly short time, and in a few hours the Patriarchate will release a decree reflecting all the decisions made by the Synod. The issues were related to

Davit Gareji and vaccination. Some issues were assessed from a moral point of view and all this will be reflected in the decree,” said Andria Jagmaidze.
