Founder's Patron Saint-day of Chilandar Monastery: Thanksgiving on the occasion of the election of Patriarch Porfirije

In the Holy Imperial Serbian Laura, Chilandar, its founder, the Venerable Symeon the Myrrh-Streaming, was celebrated with a solemn holiday service.

The Council of Elders of the Holy Monastery of Chilandar has made a decision that on the day of the feast of the Venerable Symeon, at the end of the Holy Liturgy, a prayer act of thanksgiving will be served on the occasion of the election of His Holiness Porfirije, Serbian Patriarch. In this way, the Chilandar brotherhood, although outside the homeland and in difficult conditions of isolation, spiritually and prayerfully participates in the life of the believing Serbian people, thanking God for electing Patriarch Porfirije, a worthy heir of Patriarch Irinej of blessed repose on the Saint Sava's throne of the Serbian Church.

In accordance with the measures of the Greek state and the Holy Municipality of Mount Athos to prevent the spread of the corona virus pandemic in Chilandar, there were no guests on this big feast day.
