

## Small Group Ministry from Y2AM

Are you looking for a weekly curriculum for your parish? Check out the Small Group resources and bring people together with this project from the department of Youth and Young Adult Ministries (Y2AM), part of the Greek Orthodox Archdiocese of America.

Don't have any experience with small groups? No problem! Y2AM has created a straightforward, easy-to-follow checklist for parish clergy and leadership to use as they set up small groups in their community.

Have you been selected to lead a small group? Y2AM will offer you the training you need be a better listener and facilitator to help your fellow Christians make the most of this ministry experience.

If you're a Small Groups Leader, this weekly curriculum will help you bring people together to learn, pray, and grow together.

There's a lot of great online ministry content to help us while we're stuck and home. And that's great! However, we can't let ourselves become nothing more than passive viewers who are lost in the online crowd. We need to be more than consumers of online content. We need to be Christians.
