

## Trailer released for 'Man of God', which recounts life and works of St. Nektarios

**A reverse countdown has begun for the debut of the feature length film “Man of God”, which recounts the life and works of St. Nektarios of Aegina.**

A trailer for the film, directed and written by Yelena Popovic, has just been released, providing a first glimpse into the anticipated movie, which was shot on-site in Greece in 2020.
